SENATOR R. LEWIS: Mr. President, I would move adoption of the Committee amendments.

PRESIDENT: Any discussion of that. The question is, the adoption of the Committee amendments to LB 157. Record your vote. Record, Mr. Clerk.

CLERK: 18 ayes, 0 nays, Mr. President.

PRESIDENT: The Clerk has reported the....Senator Chambers.

SENATOR CHAMBERS: Mr. President, and I put this in writing, I move that we adjourn.

PRESIDENT: There is a motion to adjourn. Senator Burbach.

CLERK: Mr. President, before you take that up, I've got some reports.

SENATOR BURBACH: Mr. President.

PRESIDENT: Yes, Senator Burbach.

SENATOR BURBACH: We are in the last fifteen, twenty minutes, I have a Page going around alerting the introducer of the bill and the Chairman of the Committee that their bill is coming up in a few moments. We have been doing this, probably, for the last ten or fifteen minutes and I believe that we can, if we dedicate ourselves a little bit, continue on. Now we are just checking out right now, 153 is Senator Nichol's bill. He is not here. I believe 258 is Moylan's. We will bypass over those, and I believe we can find bills and I will work on to try to find non-controversial bills that we do continue on until noon.

PRESIDENT: Senator, I think Senator Chambers is saying that nobody wants to vote. The question is, shall we adjourn. All in favor say aye. All right. Read the report.

CLERK: Mr. President, your committee on Judiciary to whom was referred LB 187 instructs me to report the same to the Legislature the recommendation it be advanced to General File as amended; LB 282, General File as amended; and LB 425 General File as amended. Signed Senator Luedtke, Chairman. Thank you, Mr. President.

PRESIDENT: The question is, shall we adjourn. All in favor say aye. Contrary nay. The noes have it. That is a discretionary matter with the chair but right on...I am afraid the nays have it. I don't think we could get everybody to vote, Senator Chambers, on the machine vote. The Committee amendments failed to pass. Senator Lewis.

SENATOR LEWIS: Mr. President, members of the Legislature, I would move that we pass over LB 157 and also...

PRESIDENT: Senator Lewis, could I suggest that someone that did not vote to move to reconsider on your amendments.

SENATOR LEWIS: Well, Senator Kennedy, isn't here and we have amendments. We have amendments on the desk to...

PRESIDENT: You are asking unanimous consent to pass over 157?
